## 2026's "3/4 to 4/4 for #44" Capital Campaign

FC44 Supporter –

FC44 Foundation started back in 2014 to perpetuate the memory and legacy of Kurt Murnen, continue his fight against cancer, and help others in his name. Since our inception, thanks to the loyalty and generosity of people like you, we are making a significant difference in the fight against cancer and in the lives of others. We have been fortunate enough to receive over \$400,000 in donations through 2025. With these funds, FC44 has been given the opportunity to carry out our mission and continue to celebrate and remember Kurt. To date, FC44 has provided Kettering Health with \$245,000 to support the physical therapy program run by Maple Tree Cancer Alliance in support of this innovation in the fight against cancer. FC44 has also provided over \$100,000 in Kurt Murnen Memorial Scholarships at Archbishop Alter High School to 28 students which allows Kurt to live on at Alter for future generations through current students demonstrating strength and courage in the face of adversity resulting in a positive impact on their peers witnessing them.

In 2026, after completing our \$100,000 pledge to Kettering Health, FC44 Foundation is taking the next step in carrying out our mission for Kurt. FC44 Foundation has pledged \$100,000 to Archbishop Alter High School's "Unite the Knights" Campaign to improve its campus and facilities. The \$100,000 pledge will be for naming rights for a new "Team Room" which will be included in Phase 2 of the Campaign. Preliminary renderings of the proposed "Team Room" are included in this document. By attaching Kurt's name to this room, Kurt Murnen's name and memory will be further cemented as a fixture within Alter High School to be remembered by the future generations of Alter High School. As a former athlete at Alter High School, it also provides Kurt with the opportunity to help the current and future student athletes at Alter High School excel on the court and field. FC44 Foundation is honored to be a part of the vision for the future of Alter High School and for Kurt to play a role in it.

It is extremely humbling and overwhelming to see how much we have accomplished so far in Kurt's name and memory. We are extremely grateful for the opportunity to continue to celebrate and remember him. It is a testament of the impact that Kurt had on the people that knew him to see that Kurt and his memory are still resonating with others. The ability to remember, celebrate, and honor Kurt has provided all of us with a tremendous amount of comfort and healing. We have only been able to do the things that we have done in the past and will do in the future thanks to the financial support from people like you. We recognize there are a lot of good causes and organizations out there you could choose from to support. The fact you choose to support Kurt and FC44 is greatly appreciated.

With Gratitude and Appreciation,

Jay Murnen
